

CATS Delivers 11% Cost Reduction in Agricultural Theft Insurance Claim

Key Facts

- ✓ The insured had suffered theft of a ride-on tractor and two trimmers
- ✓ CATS facilitated cash settlement for the trimmer's and arranged replacement of the tractor
- ✓ CATS saved the insurer 11% on the total amount claiming

The Claim

The insured reported theft of a John Deere ride-on Tractor along with Stihl and Honda Trimmers. CATS recommended cash settlements for the stolen trimmers. Furthermore, they supplied a tractor mower replacement through their authorised John Deere distributor who is local to the insured.

The Resolution

The insurers saved £3000 by replacing the ride on tractor. This is equal to an 11% saving. The stolen trimmers were cash settled as recommended.

We can assist with all types of agricultural equipment including mowers, tractors, combine harvesters, processors and more. If you have a agricultural claim instruct us today.
