

CATS Expertise Leads to £1,080 Savings on Planmeca OPG Dental Unit Replacement

Key Facts

- ✓ CATS validated a claim for a OPG unit
- ✓ Our accredited engineers concurred the unit was beyond repair
- ✓ The unit was replaced through CATS saving the insurers £1080

The team here at CATS are able to assist with all types of dental equipment such as dental chairs, scanners, pumps, cameras, suction units and more.

The Claim

CATS were asked to validate a claim for a damaged Planmeca dental OPG unit. After engineers inspected the equipment, it was deemed beyond repair due to both damage and age. The team recommended replacing the unit.

The Resolution

The insurers decided to cash settle. By involving CATS on this claim and benefiting from CATS trade status, for a small fee the team were able to save the insurers £1080.
