

Jet Ski Damage claim resolved with £13,600 savings

Key Facts

- ✓ Accidental damage to a jet ski
- ✓ CATS engineers inspected and identified that the unit was repairable
- ✓ CATS recommended cash settlement based on the repair cost, saving the insurer's £13,600

The Claim

The insured was responsible for causing damage to a third party's SeaDoo jet ski. After CATS engineers completed an inspection the unit was identified as repairable. Based on this assessment, the CATS claims team recommended cash settling this claim at CATS repair price.

The Resolution

This claim was cash settled as recommended. By involving CATS, the insurers saved £13,600 for a nominal fee.
