

60% saving on surveying equipment repair

Key Facts

- ✓ Accidental damage to a Leica BLK360 Scanner
- ✓ Inspection by CATS engineers determined the unit to be repairable
- ✓ £8,500 saved equal to 60% of total amount being claimed for

The Claim

The insured had suffered accidental impact damage to a Leica BLK360 Scanner. After inspection from CATS accredited engineers, the unit was deemed repairable.

The Resolution

Following CATS recommendations, the Leica scanner was repaired. In the meantime loan equipment was supplied through CATS. By involving the team, the insurers saved £8,500 on this claim.
