

Juice Spill Wrecks Lighting Controller, CATS Saves £4,000 with Smart Replacement Process

Key Facts

- ✓ CATS were asked to validate a claim for a lighting controller
- ✓ The Unit was considered beyond repair so CATS identified the nearest equivalent
- ✓ The controller was replaced through CATS which saved the insured £4000

CATS can assist with both domestic and commercial lighting claims. The team can validate, inspect, repair or replace anything from production lighting to lamp posts.

The Claim

The CATS team were asked to validate a claim for a lighting controller which had been damaged by ingress of orange and mango juice. Following assessment and based on the nature of the damage as well as the age of the unit, CATS considered the unit to be beyond repair. The team therefore identified the nearest stock equivalent as a replacement.

The Resolution

The controller was replaced through CATS. For a small fee, the team were able to save the insurers £4000 on this claim.
