

Insurers Save £255 on Veterinary Scanner Replacement with CATS

Key Facts

- ✓ The insured had suffered damage to a Veterinary scanner
- ✓ After a CATS inspection, the unit was deemed to be BER.
- ✓ Although we could supply the insured with a like for like replacement, the insurers cash settled
- ✓ CATS were able to save the insurers £255

The Claim

The insured had suffered accidental impact damage to their VIS ScanPad Veterinary Scanner. After a speedy inspection by CATS engineers, it was discovered that the unit suffered damage to the casing, main PCB and fan assembly. This was consistent with the claim. Unfortunately, the unit was BER due to the unavailability of parts.

The Resolution

CATS proposed a like for like replacement which we could supply. The insurers decided to cash settle this claim. The CATS claims team were able to save the insurers £255 on this claim.
